

# The Timothy J. Atkinson Memorial Scholarship Application

Timothy J. Atkinson was the former Executive Director of The Arc of Carroll County. For more than 30 years he advocated for people with disabilities and helped to transition The Arc from a grassroots organization that provided primarily in-house services to a thriving non-profit organization that now provides mostly community and employment based services and diligently advocates for the rights of people with disabilities.

The Timothy J. Atkinson Memorial Scholarship will be awarded to a student who intends to enter a field that will assist or advocate for people with disabilities. The amount of the award will be \$1,000. Eligible candidates must be a Carroll County resident and must be accepted for admission or be currently attending as a full-time student at an accredited college or university in pursuit of a related degree.
